Timothy Flynn

Graphic Design/Illustration

Timothy Flynn is a native of Southern California and graduate of the Laguna College of Art & Design. He has spent the last 10 years working in the print industry for local businesses and used his expertise in a variety of production methods to create print based works inspired by cartoon characters and street art. Timothy's style has progressed away from representational figure-based works to flatter, shape focused designs for use in digital media and on merchandise. He is always attempting to create work that is relevant to the current cultural moment, while refraining from chasing to the latest or shiniest trends.
